<p>As a student enrolled in a program with English as medium of instruction at Ankara Medipol University in 2023-2024 Academic Year, I do hereby certify that I have fulfilled one of the requirements below to be eligible for exemption from academic English courses: <b>(Please circle a, b, c, d or e.)</b></p> <p>a. successfully completed the English Preparatory Program at the School of Foreign Languages (please write your score if so: _____)</p> <p>b. I sat the Proficiency exam held in September by the School of Foreign Languages and passed. (please write your score if so: _____)</p> <p>c. I participated in the English Preparatory Program for a term, sat the mid-year Proficiency exam in February and was granted with the pass. (please write your score if so: _____)</p> <p>d. provided a relevant score as requested by the School of Foreign Languages (please write the name of the certificate you provided and the score if so: _____)</p> <p>e. as of the application date, had been enrolled in a school located in a country where English is spoken as mother tongue -at least for the last three academic years- and certified that s/he successfully completed his/her secondary education in one of such institutions.</p> <p>Stating that I fulfill the requirements as expected by the School of Foreign Languages, I declare that I seek exemption from the first academic year compulsory English courses within my departmental studies. I am aware that the scores pertaining these courses will not be included in my GPA, yet I will be freed from any requirements regarding these courses.</p> <p style="text-align: right;">* Required score for exam results is '80(eighty) and above'</p>
